**COMPUTER EXPLORERS  
Minecraft Coding & Programming  
July 11 - July 15**

**Ages 11 - 13      1 - 3 PM**

The next level of our Minecraft program is here! Are you tired of having to mine the "boring" stuff? Did you know you can create and program Minecraft ROBOTS to do your mining for you? Learn how to code using the Minecraft Computer Craft Mod and put those robots to work. You'll start out programming with a graphical interface and then evolve to text-based coding. Soon you'll be able to focus on mining what YOU want!

Cost: \$140 (MACC members \$125). Questions: Contact Tiffany Henry 678-525-3660 or tiffany511@hotmail.com

**ART CAMP FOR KIDS

### COMPUTER EXPLORERS

#### Minecraft Adventure Begins

June 20 - 24  
Ages 5-7 1 - 3 PM

Students will discover Minecraft essentials while completing an obstacle course, searching for clues to unlock doors, and completing challenges in different Minecraft worlds. Challenges include crafting and smelting tools to mine the best ores, taming animals in the campground world, and building the coolest roofed tree house and corral in the group building world. Interwoven with the fun, students will be introduced to the basics of computer networking, the geometry of multidimensional objects, and the rendering of video game graphics.

Cost: \$140 (MACC members \$125) Questions: Contact Tiffany Henry at tiffany511@hotmail.com or 678-525-3660.

June 27 - July 1

### COMPUTER EXPLORERS

#### Minecraft Desert Island

June 27 - July 1  
Ages 8 - 10 1 - 3 PM

Students will work together in their own Minecraft worlds hosted on a private server, learning the fundamentals of computer networking. After an introduction of Minecraft basics, students are washed up on a desert island and must find ways to survive, creating everything from scratch. Minecraft blocks, mining and crafting talents, and imagination and ingenuity are used. The gathering of resources and development of villages gives children an insight into the various elements of survival, settlement, and exploration. Before leaving the island, the students storm the local castle by solving the puzzles and avoiding the traps!

Cost: \$140 (MACC members \$125). Questions: Contact Tiffany Henry at tiffany511@hotmail.com or 678-525-3660.
