

*****MARCH 28, 2005*****

The Town Council of the Town of Signal Mountain held a special called work session meeting on Monday, March 28, 24, 2005, at 7:00 p.m. in the Town Hall. Those present were:

Mayor William O. Leonard, III
Councilmember Lizetta Paturalski
Councilmember Robert V. Linehart, Jr.
Councilmember Robert E. White, II

Also present:

Town Manager Hershel Dick
Town Recorder Diana Campbell
Town Attorney Phil Noblett

The Mayor called the meeting to order and turned the meeting over to Sam Powell, Chairman of the Signal Mountain Park Board.

Mr. Powell talked about the trails in the Town and the work on the Green Gorge Park. He said the Town had received a \$50,000 grant that required the Town to contribute \$10,000 and the State \$40,000. The purpose of the grant was to work on the Town's trails including putting bridges over the Ravine Gorge, cleaning up the debris, the Rainbow Lake work, and building a handicapped trail with two handicapped parking spaces. He said the location at Wildflower Park was chosen because the area was level and better suited for the handicapped than any other parking area. He showed the citizens a map with the location of the area.

Next there was a long discussion with the Council and citizens on the park. The Mayor suggested the citizens help with the clean up in the Wildflower Park area. Councilmember Paturalski suggested writing the citizens in the area letters asking them not to dump yard waste into the ravine park. The Council decided to contact the representative from the State about the grant to find out if the handicapped trail and parking could be moved to another location without jeopardizing the grant.

There being no other items before the Council, the discussions then ended.

William O. Leonard III, Mayor

Diana Campbell, Recorder
