Councilmember Robert E. White

Also present were:

Mayor Leonard called the meeting to order.

Councilmember White offered a letter to the Council from Robert H. Giles, Jr. MD regarding the Town's recognition and observance of national holidays. The letter was read by the Council members.

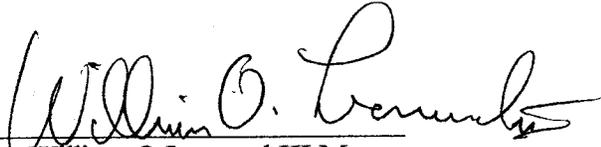

The Council discussed personnel issues. Ms. Campbell talked about the Town's Compensation Pay Plan. She said the last time it was approved by the Council was in February 2000 and needed updating. Ms. Campbell also stated she would revise the Wage Plan survey, last done in September 2004, for wages from surrounding towns and cities and distribute the survey to all the department heads.

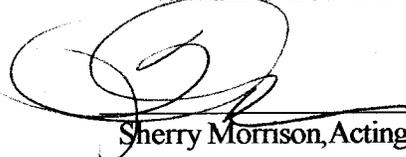

There was a discussion regarding the annexation and the immediate services that would be provided to the citizens.

The new high school financing was the next matter to be discussed. It was suggested by Councilmember Linehart to invite Gary Waters and Richard Casavant to an open meeting to discuss the high school funding.

Councilmember Linehart said the D.R.C. wanted to set guidelines for the design of memorials and to make their recommendation on the design only.

The meeting was adjourned.
