The Town Council of the Town of Signal Mountain held a special Council meeting on Friday, January 5, 2007, at 9:00 a.m. in the Town Hall. Those present were:

Mayor Paul M. Hendricks  
Vice-Mayor Hershel Dick  
Councilmember Bill Lusk

Also present were:           Town Manager Diana Campbell  
Hamilton County Commissioner Richard Casavant  
State Senator Bo Watson  
State Representative Richard Floyd

The Mayor said the number one issue to discuss was the road up the mountain. The Council and guests then discussed the road up the mountain. There was concern for the condition of the road and the need to try to get the State to make repairs and study options for future improvements. Commissioner Casavant asked about the possibility of the Town keeping the ditch clean to prevent the road washing away.

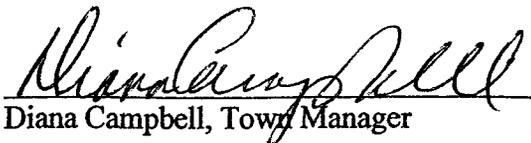

Councilmember Lusk inquired on the possibility of getting a restriction on commercial vehicles on the highway. Senator Watson suggested a letter or resolution from the Council.

The Council asked about various issues and legislation that may be considered at the State level. State Senator Watson and State Representative Floyd both offered to work with the Town in the future.

There being no further business, the meeting was adjourned.

Dr. Paul M. Hendricks, Mayor
