Mayor Bill Lusk
Vice Mayor Susan Robertson
Councilmember Annette Allen
Councilmember Dick Gee

Also present were: Town Recorder Mark Johnson
Town Manager Honna Rogers
See attached list for others present

The Council held a special meeting to continue discussing the proposed fiscal year 2012-2013 budget. They specifically discussed changes made since the May 7th meeting, including the effect of employee raises, long-term capital expenditures, and an expected decline in Hall income tax revenue.

Ms. Rogers noted that the Signal Mountain Golf and Country Club recently made a request to place 6 x 6 wooden posts in the right-of-way near the golf cart path to deter individuals from driving onto the property.

Ms. Rogers noted that the Recreation Board recently suggested that Scenic City Tackle Football be allowed to use Town fields for practice for ages 5-8. The Council agreed to discuss this at a future meeting after Town staff had gathered more information. She also noted that the Board would make a similar request involving Norris Field.

There being no further business, the meeting was adjourned.

Bill Lusk, Mayor
