

Council Notes-March 24, 2010

For questions or additional information, contact the Town Hall at 886-2177 or council members at signalmountaintn.gov.

- The town is losing two valuable employees today. After fourteen years in the Administrative Department, Katie Yother has decided she's ready to tackle other projects at home. Officer Bronco Sullivan is leaving the Police Department after ten years to enter the U. S. Marshall's Service. Both Katie and Bronco will be sorely missed. Join us in wishing them every success in their new endeavors.
- Tomorrow, Thursday, March 25th, planner Ann Coulter will lead a public input meeting to address future design standards for re-modeling or re-developing town commercial areas at the Town Hall from 6pm-8pm. Please come to share your vision and your ideas. It's up every resident to shape the future of our community.
- This Saturday, March 27th, the Mountain Stewards and SMMHS will celebrate Earth Hour on the SMMHS campus. Sam Powell will lead an owl call at 6:30pm. A bonfire will begin at 7:30pm with Mountain Cove providing the music. Last year almost a billion people celebrated Earth Hour, an event sponsored by the World Wildlife Foundation, by turning off non-essential lights and appliances from 8:30-9:30pm to call attention to energy conservation.
- The 2010 U.S. Census Bureau forms are in the mail. Please fill them out accurately and return them quickly. The number of residents counted in our town by the census will determine the rate of state revenue that the town receives through 2020.
- The Signal Mountain Tree Board wishes to thank Enterprise-Rent-a-Car Associates, SM Prudential Realty, Southern Star, Citizens Tri-County Bank, Signal Mountain Nursery, DeHart Tree Service and Sign-a-Rama for their Arbor Day sponsorship. Thanks to their generous donations, 5th graders from Thrasher and Nolan Elementary Schools planted 17 native trees on the Thrasher and SMMHS campuses.
