

## **Council Notes-January 14, 2014**

For questions or information, contact the Town Hall at 886-2177 or council members at [signalmountaintn.gov](http://signalmountaintn.gov).

- The council thanks the Public Works Department for the great job they have done during the recent winter weather!
- Mayor Bill Lusk and the town manager met with a representative from the Tennessee American Water Company recently to discuss a water purchase agreement. The council will discuss a potential contract amendment at its next meeting.
- Bruce Palmer will offer Creative Writing Classes at the Library on Mondays at 6pm. Call the Library at 886-7323 to register.
- John C. Wynne, vice president of the Signal Mountain Historical Committee, will give a talk, “Early Days on Signal Mountain”, on January 16 at 6:30pm at the Library.
- On January 18, local author Gary Highfield will talk and sign copies of his new book, “When Want to Becomes Have to” at noon at the Library. On January 30, George Derryberry will also talk and sign copies of his new book, “Path of Valor: A Marine’s Story,” at 6pm.
- The town has openings on the Board of Zoning Appeals, Tree Board, and Personnel Committee. An electrical contractor is needed on the Board of Adjustments and Appeals. Applications may be downloaded from the town website. For more information contact the town manager.
- The second round of leaf pickup has begun in Area 4 (Carriage Hill). Watch for signs to see which area is next. The signs are moved at least a week before pickup begins. Just because signs go down in an area does not mean pickup is complete there.
- The Recycle Center cannot accept Styrofoam. It must be delivered to the Transfer Station for disposal or to the UPS Store at the foot of the mountain for recycling.
