The Town Council of the Town of Signal Mountain, Tennessee hereby proposes the following Plan for Provision of Services for certain property in the Shackleford Ridge Road area which is shown on the attached map for certain properties lying contiguous to the present corporate limits of the Town of Signal Mountain, Tennessee, which are described as follows:

All roads and accepted right of ways on the northwestern limits of the Town as shown on the attached map within the State of Tennessee property known as Prentice Cooper State Park, including that portion of Edwards Point Road and its right-of-way from the current Town of Signal Mountain town limits at Timberlinks Road northward to the intersection of Edwards Point Road and Shackleford Ridge Road, and then following that portion of Shackleford Ridge Road and its right-of-way from the intersection of Edwards Point Road and Shackleford Ridge Road, northeast to the current Signal Mountain Town limits which is adjacent to 4244 Shackleford Ridge Road; and further including that portion of Shackleford Ridge Road and its right-of-way beginning at the current Signal Mountain Town limits on the northeastern side of the Town adjacent to 5216 Shackleford Ridge Road and continuing northeast to the intersection of Shackleford Ridge Road and Anderson Pike; and further including all property contained within the following maps and parcels which are contiguous to the northwestern boundary of the Town as shown on the attached map:

All real property contained within the following two (2) maps and parcels of real property which are contiguous to the northwestern boundary of the Town limits adjacent to Prentice Cooper State Forest and including the property within:

Hamilton County Tax Map # 088 036; and

Hamilton County Tax Map # 088 037 as shown on the attached map.

A. POLICE

Patrolling, radio directed response to calls for assistance, crime prevention services, traffic control and accident prevention services and other police protection and support using present personnel and equipment will be provided on the effective date of annexation.

B. TRAFFIC ENGINEERING

Traffic Engineering and installation of signs and other traffic control devices to be installed as required throughout the annexation area, will be provided when the need is established by appropriate traffic studies.

C. FIRE

1. Fire protection by present personnel and the equipment of the fire fighting force within the limitations of available water and distance from fire stations will be provided on the effective date of annexation.

2. Additional fire services such as those made available through the Town's fire prevention staff and arson investigation will be made available on the effective date of annexation.

3. Within six (6) months after annexation, the location of fire hydrants shall be determined and installed in those areas where water mains of adequate size are available. Placement of hydrants will be on the basis of nationally-accepted standards defined by the National Fire Underwriters' Association. As additional water lines are extended into the annexation area by Walden's Ridge Utility Service, if not presently served, fire hydrants shall be installed as required by the above-mentioned standard when the population density or need for

hydrant services is sufficient to cost effectively extend hydrant services into the annexed property as determined in the discretion of the Town Manager and the Town Council.

4. Within six (6) months after annexation, a study will be completed to determine the need for construction of a fire substation to provide services to the annexed area on property owned by the Town and to assure the continued compliance with standards established by the National Fire Underwriters appropriate to maintain the existing fire insurance rating for all citizens within the Town.

D. REFUSE COLLECTION

The same regular refuse collection now provided by the Town will be extended to the annexed area on the effective date of annexation.

E. ROAD AND STREET CONSTRUCTION AND REPAIR; SIGNS AND LIGHTING, AND STORMWAYTER AND DRAINAGE

1. Emergency maintenance of streets (repair of hazardous chuck holes, measures necessary to maintain normal traffic flow), removal of snow and/or sanding of streets during icing conditions will be provided to the annexed area on the effective date of annexation.

2. Routine maintenance, on the same basis as is provided within the present Town limits, will be provided to the annexed area on the effective date of annexation.

3. Within six (6) months of annexation, street name signs will be installed as needed in all substantially developed areas of the annexed area.

4. Street lights will be installed within the annexed area under the same standards as now prevail in the present Town limits as needed.

5. Stormwater and drainage services for all streets within the annexed area will be studied within six months after the effective date of annexation. Erosion and drainage

services which are currently provided to all existing streets within the present Town limits shall be provided to the annexed area on the effective date of annexation.

F. PLANNING AND ZONING

The planning and zoning jurisdiction of the Town will be extended to the annexed area on the effective date of annexation. Town Planning services and zoning regulations will thereafter encompass the annexed area. Pending a review of the present zoning classifications within the annexed area by the Town of Signal Mountain Planning Commission and the Town Council within six (6) months of the effective date of annexation, the property within the annexed area shall be reclassified to a temporary classification of R-E Residential Estate District and shall be entitled to any use allowed pursuant to Article 614 of the Town's Zoning Ordinance.

G. RECREATION AND OTHER TOWN PROGRAMS

1. All recreational areas accessibility and programs which are provided for present Town residents will be made available to the residents of the annexed area upon the effective date of annexation in the same manner as such programs are available to current Town residents.

2. All current recreation programs such as swimming, summer camps, baseball, flag football, basketball, tennis will be made available to residents of the annexed area upon the effective date of annexation in the same manner as such programs are available to current Town residents.

3. Access to the Town Library and the Mountain Arts Community Center facilities shall be made available to the residents of the annexed area upon the effective date of

annexation in the same manner as such accessibility and programs are provided to current Town residents.

H. WATER SYSTEM

Water for all annexed properties will continue to be provided within the annexed area in the same manner as water service is currently provided by the Walden's Ridge Utility District.

I. ELECTRICAL SERVICE

Electricity will continue to be provided within the annexed area in the same manner as electric service is currently provided by the Electric Power Board of Chattanooga.

J. SEWER SYSTEM

Sewer services for any properties within the annexed area will continue to be provided in the same manner as such sewer services are currently provided by the Hamilton County Water and Wastewater Authority to the extent that sewer lines are constructed and available within the annexed area. The construction of new sewer lines within the annexed area will occur when the density of development makes new sewer lines feasible and funds for the construction of necessary sewer lines are made available as determined by the Hamilton County Water and Wastewater Authority and its board.

K. INSPECTION/CODE ENFORCEMENT

The Town of Signal Mountain currently provides inspection and code enforcement services (building, electrical, plumbing, gas, and unsafe building services) to all areas within the Town limits. These same inspection and code enforcement services will be provided to the newly annexed area upon the effective date of annexation.

L. ANIMAL CONTROL

The Humane Educational Society currently provides the services of animal control and enforces the Town's leash laws and other animal control ordinances to all areas within the Town limits. These same services will be provided to the newly annexed area upon the effective date of annexation.
