

RESOLUTION NO. R2009-43

A RESOLUTION ESTABLISHING THE TRANSPORTATION
SUBCOMMITTEE AS PART OF THE CITIZENS ADVISORY
COMMITTEE FOR THE TOWN COUNCIL.

WHEREAS, the Citizens Advisory Committee was previously established in the Signal Mountain Town Code at Title 2, Chapter 2; and,

WHEREAS, there is a need to establish a Transportation Subcommittee as part of the Citizens Advisory Committee that will consist of up to eight members; and,

WHEREAS, the purpose of the Transportation Subcommittee is to study and advise the Town Council on potential action steps for regulations within the Town that shall include, but not be limited to: (1) reviewing the current state of transportation resources available to citizens of the Town, (2) determining short term and long term transportation needs of citizens of the Town, (3) reviewing critical intersections and thoroughfares within the Town and recommend improvements to the Town Council, and (4) ensuring that the Town's transportation-related needs are met now and in the future.

NOW, THEREFORE BE IT RESOLVED, that the Mayor and Council Members of the Town of Signal Mountain, Tennessee, hereby establish the Transportation Subcommittee as part of the Citizens Advisory Committee for the Town Council.
