

RESOLUTION NO. R2010-72

A RESOLUTION DECLARING THE MONTH OF NOVEMBER AS PANCREATIC CANCER AWARENESS MONTH IN THE TOWN OF SIGNAL MOUNTAIN.

WHEREAS, in 2010, an estimated 43,140 people will be diagnosed with pancreatic cancer in the United States and 36,800 will die from the disease; and,

WHEREAS, pancreatic cancer is one of the deadliest cancers and is the fourth leading cause of cancer death in the United States; and,

WHEREAS, when symptoms of pancreatic cancer present themselves, it is usually too late for an optimistic prognosis, and 75 percent of pancreatic cancer patients die within the first year of their diagnosis while 94 percent of pancreatic cancer patients die within the first five years; and,

WHEREAS, development of pancreatic cancer is approximately 50 percent higher in African Americans than in other ethnic groups; and,

WHEREAS, approximately 720 deaths occurred last year in Tennessee; and,

WHEREAS, there is no cure for pancreatic cancer and there have been no significant improvements in survival rates in the last 40 years; and the Federal Government invests significantly less money in pancreatic cancer research than it does in any of the other leading cancer killers; and pancreatic cancer research constitutes only 2 percent of the National Cancer Institute's federal research funding, a figure far too low given the severity of the disease, its mortality rate, and how little is known about how to arrest it; and,

WHEREAS, the Pancreatic Cancer Action Network is the first and only national patient advocacy organization that serves the pancreatic cancer community in Tennessee and nationwide by focusing its efforts on public policy, research funding, patient services, and public awareness and education related to developing effective treatments and a cure for pancreatic cancer; and,

WHEREAS, the Pancreatic Cancer Action Network and its affiliates in Tennessee support those patients currently battling pancreatic cancer, as well as to those who have lost their lives to the disease, and are committed to nothing less than a cure; and,

WHEREAS, the good health and well-being of the residents of Tennessee are enhanced as a direct result of increased awareness about pancreatic cancer and research into early detection, causes, and effective treatments;

NOW, THEREFORE, BE IT RESOLVED that the Town Council of the Town of Signal Mountain designates the month of November, 2010 as "Pancreatic Cancer Awareness Month" in the Town of Signal Mountain, Tennessee.
