

## Town of Signal Mountain

### Leaf Pick-up

The Town of Signal Mountain offers seasonal curbside leaf collection for residential properties located within the Town limits. Leaf collection will begin on Tuesday, November 1, 2011, beginning with area two (2) this year. The Town is divided into four (4) collection areas. The four (4) areas are shown on the Leaf Pick-up Map. Each area will be picked up in numerical order, and there will be several rounds of leaf collection. There will be signs posted at each area to let you know when your area will be picked up. Last round signs will also be posted for your area at the end of the season. Please place loose leaves at the curbside before your area is scheduled for the next pick-up in order to make sure they are not missed.

### Leaf Placement

Loose leaves should be placed at the curb in a pile, separate from brush and other yard waste. All leaves must be away from utility poles, mailboxes, or other structures, and must not block drainage ditches or curbside drainage. For safety reasons, **leaves must not hinder traffic nor block travel lanes.**
