

Why Give a Tree?

Planting a tree is a meaningful way to remember and celebrate the lives of those we honor and love. A tree is a living legacy for future generations, one that beautifies the Town and benefits the community.

The Signal Mountain Tree Board's Honor Tree Program enables individuals or groups to donate trees to honor special people, to commemorate important events, and to create living memorials for loved ones.

Honor a special friend, pet, teacher or organization.

Commemorate a joyous event, a birth, marriage or anniversary.

Celebrate an achievement, a graduation, retirement or winning season.

"A man does not plant a tree for himself; he plants it for posterity."
--Alexander Smith, 1863

An Honor Tree is a Gift that's "Easy-to-Give"

For a tax-deductible donation of \$200, the Signal Mountain Tree Board will plant an Honor Tree and install a special marker inscribed with the names of the honoree, the donor, the tree species and the date of planting.

The Tree Board will recommend a tree species and a site on Town property. Every effort will be made to accommodate any special requests for species and location. Visit the Tree Board's "Recommended Species List" on its web page at signalmountaintn.gov for suggested trees that thrive in our climate.

Trees may be donated any time, but planting takes place October to March to ensure survival. To order an Honor Tree, complete the attached form and send it with a \$200 donation to the address listed or drop it off at the Town Hall. A gift card will be sent to each honoree and donor at the time of the donation unless otherwise requested.
