

ORDINANCE NO. 2006-14**AN ORDINANCE TO AMEND THE SIGNAL MOUNTAIN ZONING ORDINANCE TO ADD A NEW SECTIONS 617 TO PROVIDE BOUNDARY GUIDELINES WITHIN THE SHACKLEFORD RIDGE OVERLAY ZONE.**

---

WHEREAS, pursuant to Article XVIII of the Signal Mountain Zoning Ordinance, standards, restrictions, and boundaries set forth in these regulations may from time to time be amended, supplemented, changed or repealed; and

WHEREAS, the Signal Mountain Planning Commission has participated in work sessions over the past seven (7) months in reviewing current language and to provide recommendations and changes to the Signal Mountain Zoning Ordinance due to the proposed sewer line development in connection with the Signal Mountain High School which is scheduled to begin during the summer of 2006 and which will result in sewer line connections which may be available for future development adjacent to Shackleford Ridge Road over the next three (3) years; and

WHEREAS, the Planning Commission has determined that an overlay zone containing specific parcels of land adjacent to Shackleford Ridge Road is the only projected area for sewer line extension in the foreseeable future and that zoning restrictions should be revised within the overlay zone boundary but not throughout the Town due to available infrastructure improvements which will become available over the next five (5) years within the Town; and

WHEREAS, the Planning Commission has determined that certain lot size reduction and design options for development as set forth in these amendments are in the interest of the Town

of Signal Mountain due to the availability of foreseeable sewer connections; and that certain additional design option regulations should be included which are set forth in new section 617 should be made to the Zoning Ordinance to provide for reduced square footage of lots and specific density for residential development desired by the Town within the Shackleford Ridge Overlay Zone, much of which is currently zoned Residential Estate; and

WHEREAS, the Signal Mountain Planning Commission has recommended the adoption of the creation of a new section 617 to the Signal Mountain Zoning Ordinance in the interests of public health, safety, and general welfare pursuant to T.C.A. §§ 13-4-104 and 13-7-204;

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF SIGNAL MOUNTAIN, TENNESSEE

SECTION 1. That a new Section 617 entitled "Shackleford Ridge Overlay Zone (SROZ)" is added to the Zoning Ordinance as follows:

617 Shackleford Ridge Overlay Zone (SROZ)

**Purpose:** This overlay zone shall only apply to a defined boundary of properties located adjacent to Shackleford Ridge Road within the Town of Signal Mountain as shown. It is intended that the boundaries of this Overlay Zone may be increased over time with the expansion of sewer areas within the Town and through future annexation of areas within the Urban Growth Boundaries of the Town.

Within this overlay zone the permissible options for development may have more density than in other areas of the Town due to the availability of sewer connections within this zone which are proposed to be provided by the Hamilton County Water and Wastewater Treatment Authority. The increases in density within this overlay zone have been made possible by the plans for construction of a Signal Mountain High School adjacent to Shackleford Ridge which may result in the need for additional density of residential housing and will result in increased infrastructure and services requirements on the Town.

All parcels within the overlay zone are as follows:
